Welcome Address & Lighting up the lamp:

Mrs.K.Laxmi Priya invited Chief Guest Smt.A.Sreedevi Senior Civil Judge/Secretary, Rangareddy District for the lighting up the lamp and

Vandemataram Song: She also invited Cheyutha WCBO Board members and support group members for rendering the Vandemataram song.

Briefing about Cheyutha WCBO:

K.Laxmi Priya Project Director had explained about the Organization details like when it started and what are the activities conducted for the welfare of the PLHIV specially focusing on Women and Children issues, she explained about the services given in the organization like

Counselling: They provide difference kind of counselling like one to one counselling, partner counselling, family counselling, home visits Counselling

Clinic: Most of our community members have Opportunistic infections and seasonal infections and ART side effects, when they go to the private clinic when they tell about their HIV status they charge more and when they write medicines outside the medicines cost is very high which is not affordable by our community members,So,Cheyutha provides not only free clinic but also provide them with the free medicines where the community members can stay healthy for a longer time by taking their ART medicines.

Referral services: Referral to ART centres and Care and Support centre and other service providers.

Specially focusing on children education: Cheyutha strongly believes in children education as most of these HIV infected and affected children face stigma and discrimination and most of the children are semi orphan and orphan and the women cannot effort for their fesses, Cheyutha WCBO support them little financial help So that children will be able to their studies And support themselves and their families. As such children who have taken support are now working in different firms and supporting their families.

Legal Aid Support: Cheyutha support Women who are facing legal issues by documenting their Case studies and approaching the legal service authority, earlier they have registered few cases With legal service authority and the still cases are pending in the court. But she expressed her heartfelt gratitude to Mr.Murali Mohan Senior Civil Judge/Secretary, Legal service authority; Hyderabad District had immediately solved one of the members Ayesha Sana in the period of nine months. She got justice from her in laws. She also thanked Mrs.Uday Kumar Senior Civil Judge/Secretary, Legal service authority.

Positive Marriages: Cheyutha believes that right for marriage, the HIV infection mostly found in adults when they come to their HIV status most of the family members not accept as they think They die earlier and they don't have any life, Cheyutha counseled and motivated many youngsters to go for positive marriages as they can prevent new HIV infections and zero infections in new Born babies and they can also a lead a positive life with dignity. Till now Cheyutha had able to facilitate

80 positive marriages but they have just slow down in recent time as the women who are widows and unmarried they have already horrible life with HIV infection and when they are getting married they are been torched and stigma discriminated in many ways. So Cheyutha had come to a conclusion of not encouraging for positive marriages.

Advocacy Programme: Cheyutha also conduct advocacy programs on the different level in the hospitals, in the communities when the members face stigma and discrimination by highlighting the issues of the HIV positive persons.

Jute Enterprises: Women who are widows and single are the bread winners of the families and they have to take care of the children, those women are been identified and they have tried on the jute bag making like different kinds of lunch bags, shopping bags, vegetable bags, folders, pouches etc., We request Madam if there is any possible for us to get jute bags orders so that It will be a income generation for the Women and to the organization

Mrs.K.Laxmi Priya had invited few of the members who are facing the legal problems, she invited

Mrs.Chakri she had explained and the Outreach worker Mrs.Vinoda regarding her case pending at legal service authority Rangareddy district, Chakri had explained since from one year the cases in the court, her husband Mr.Gopal is not coming forward to give the maintenance for Chakri as she had health issues she lost her eyesight due to ART side effects and son met with an a major accident and now chakri is facing hard time, Cheyutha support them partially with her son education, provide nutrition support and she requested Smt.Sreedevi madam to see her case and help her in getting the justice as soon as possible.

Ms.Jaya also shared her case pending in Malkajgiri court which comes under Rangareddy legal service authority, her husband wanted her to get divorce without giving any support to her and her daughter, starting her sisters sons had helped in getting her advocate to file her case in the court, but on coming days she asking for advocacy fees which had not affordable by jaya she is working as domestic servant, when the issue brought to Cheyutha under the supervision of the Uday Kumar sir, her case was transferred to legal service authority, where they have provided With free advocate but she also got the granted for maintenance but her husband is escaping without giving her support. She requested madam to help her to get justice as soon as possible to her and her daughter.

Mrs.Bashamma: She also came forward the problems she is facing from her husband and in-laws as her husband is drunker & thief actually her marriage was arranged positive marriage, during the marriage time they gave her all false information and got married and later she came to know that her husband was drunker & thief. He also has a murder case on him. He is not a responsible person in taking care of her and her children. Whenever she went to police station Her case is not been register as the police people say there is no use staying with him instead they were suggested to take divorce instead of filing the case.

Mrs.Pushpa: She had also came forward that she faces stigma and discrimination his younger alcoholic son as Pushpa is infected through blood transmission and her husband in HIV negative, she have 2 sons were the younger one consume lot of alcohol and always abuse her with filthy language and also abuse her by beating, whenever she used to go to police station to complaint on him but she was denied from the police station as she had been explained that he is talking After consuming the alcohol so they can't do anything. She requested madam to call up the Concern police station. Atleast police counselling him by threat.
